

# FLORIDA CHRISTIAN ACADEMY PARENTAL AGREEMENT

I have to the best of my knowledge and ability, answered all parts of the Application for Admission truthfully and honestly. I understand that my child is not enrolled in a correspondence course and must be supervised during study time by a parent/guardian or responsible adult who will not allow cheating, or stealing answers from PACE score keys. I further understand that my child may be expelled if Florida Christian Academy counselors, administrators, or faculty detect cheating, copying, or stealing answers on any work or tests. This includes having someone else complete or answer the questions other than the student who is enrolled in Florida Christian Academy. I understand that I am expected to pay fees and tuition when they are due and that such payments will determine the amount of curriculum and when I will receive each shipment. I understand there is no credit plan or deferred payment plan. Furthermore, I understand that post dated checks will not be accepted for payment nor will checks be held by Florida Christian Academy beyond the date of receipt. I also understand that it is solely the parent's responsibility for the education of their child. Florida Christian Academy will support the parent with curriculum, tests, score keys, recording of grades, report cards, transcripts, permanent records, diagnostic testing, achievement testing when requested by the parent, course selection, college planning, and providing general educational support to the parent. I also understand that each secondary school in the State of Florida is autonomous of every other school both private and public and therefore guarantee of the transfer of credits or grades from one school to another is subject to the express permission and policy of each private or public school and at the discretion of said private or public school receiving the credits or grades. Finally, I am aware that failure to sign this AGREEMENT is sufficient cause for denying enrollment in Florida Christian Academy.
